

Introduction of electronic services

Providing billing services to the subscribers of power
(distribution companies(13031465000

Sub-service title	Sub-service code	Access to the service	help
Settlement of subscribers of electricity distribution companies	13031465100		
Settlement of debts of subscribers of power distribution companies	13031465101		
Change of tariff or tariff option of ampere branch of power distribution companies	13031465102		
Issuance of end-of-period bill for subscribers of power distribution companies	13031465103		
Examining the request to review the bills of the subscribers of electricity distribution companies	13031465104		
Provide records of consumption and payment of subscribers of power distribution companies	13031465105		
Provide cumulative electricity bills for organizations and departments	13031465107		

Debt declaration based on self-declaration of electricity consumption of subscribers of power distribution companies	13031465108		
Extension of amperage tariff for power distribution companies	13031465109		
Investigate reports of unauthorized use of electricity	13031465110		

Providing services related to the branching of subscribers of (power distribution companies(13031466000

Sub-service title	Sub-service code	Access to the service	help
Relocation of internal equipment for measuring the branching of subscribers of power distribution companies	13031466101		
Reinstalling the branch of the electricity distribution companies	13031466102		
Temporary collection of subscribers of power distribution companies	13031466103		
Permanent collection of branches of electricity distribution companies	13031466104		
Correction of subscriber information of power distribution companies	13031466105		
Correcting the names of the subscribers of electricity distribution companies	13031466106		

Change of subscribers' names (change of ownership of the branch) of electricity distribution companies	13031466107		
Testing and replacing meters of electricity distribution companies	13031466108		
Modification of the branch service of the subscribers of power distribution companies	13031466109		
Temporary interruption of the branch of the electricity distribution companies	13031466110		
Reconnecting the branches of electricity distribution companies	13031466111		
Modify the registered mobile phone number for electricity subscription of power distribution companies	13031466114		

Considering the request for branching and changing the amperage of the subscribers of power distribution (companies(13031467000

Sub-service title	Sub-service code	Access to the help service	help
Increasing the branching amperage of the subscribers of power distribution companies	13031467100		
Reducing the branching amperage of the subscribers of power distribution companies	13031467101		
Establishment of amp branch by power distribution companies	13031467102		
Separation or merger of subsidiaries of electricity distribution companies	13031467103		

Temporary reduction of branching amperage of subscribers of power distribution companies	13031467105		
--	--------------------	---	---

(Providing damages and network privacy services(13031977000

Sub-service title	Sub-service code	Access to the service	help
Fixing the damage to the electricity network	13031977100		
Investigate theft reports of electrical appliances	13031977101		
privacy	13031977103		
Eliminate the risk of hazardous electrical installations	13031978100		

(Providing solar generator services(13031979000

Sub-service title	Sub-service code	Access to the service	help
Installation of solar generators for electricity subscribers (for applicants less than 200 kW	13031979103		
Provide solar generator bill for electricity subscribers (for applicants less than 200 kW	13031979104		
Submitting a report on the delivered energy generator of solar subscribers (especially for applicants less than (200 kW	13031979105		

Providing services to eliminate blackouts and technical (problems of electricity(13031980000

Sub-service title	Sub-service code	Access to the service	help
Temporary blackout at the request of the applicant	13031980100		
Submit power outages	13031980102		
Fix power outages	13031980103		
Fixed power grid voltage problem	13031980104		
Fixed the problem of street lighting	13031980105		

Handling and responding to the requests of the clients in the (field of electricity distribution(13031986000

Sub-service title	Sub-service code	Access to the service	help
Provide a list of authorized suppliers of goods related to the electricity industry	13011987100		
Provide a list of approved contractors in the field of electricity	13011987107		

Providing instructions and plans for the construction of (electrical equipment and panels(13031987000

Sub-service title	Sub-service code	Access to the service	help
Providing instructions and plans for the construction of electrical equipment and panels	13031987104		

(Optimization of power consumption(13032882000

--	--	--	--

Creating a culture of electricity consumption management	13032882100		
Peak load control of power consumption	13032882102		
Determining the energy rating of office buildings	13032882103
