

Introduction of electronic services

help	Access to the service	Sub-service code	Sub-service title	service title	#
		13031465100	Settlement of subscribers of electricity distribution companies	Providing billing services to the subscribers of power (distribution companies)(13031465000	1
		13031465101	Settlement of debts of subscribers of power distribution companies		
		13031465102	Change of tariff or tariff option of amperage branch of power distribution companies		
		13031465103	Issuance of end-of-period bill for subscribers of power distribution companies		
		13031465104	Examining the request to review the bills of the subscribers of electricity distribution companies		
		13031465105	Provide records of consumption and payment of subscribers of power distribution companies		
		13031465107	Provide cumulative electricity bills for organizations and departments		
		13031465108	Debt declaration based on self-declaration of electricity consumption of subscribers of power distribution companies		
		13031465109	Extension of amperage tariff for power distribution companies		
		13031465110	Investigate reports of unauthorized use of electricity		

			1303146600 Relocation of internal equipment for measuring the branching of subscribers of power distribution companies.		
Providing services related to the branching of subscribers (of power distribution companies(13031466000				1	

		13031466102	Reinstalling the branch of the electricity distribution companies
		13031466103	Temporary collection of subscribers of power distribution companies
		13031466104	Permanent collection of branches of electricity distribution companies
		13031466105	Correction of subscriber information of power distribution companies
		13031466106	Correcting the names of the subscribers of electricity distribution companies
		13031466107	Change of subscribers' names (change of ownership of the branch) of electricity distribution companies
		13031466108	Testing and replacing meters of electricity distribution companies
		13031466109	Modification of the branch service of the subscribers of power distribution companies
		13031466110	Temporary interruption of the branch of the electricity distribution companies
		13031466111	Reconnecting the branches of electricity distribution companies
		13031466114	Modify the registered mobile phone number for electricity subscription of power distribution companies

			Increasing the branching amperage of the subscribers of power distribution companies	Considering the request for branching and changing the amperage of the subscribers of power distribution (companies 13031467000	3
			Reducing the branching amperage of the subscribers of power distribution companies		
			Establishment of amp branch by power distribution companies		
			Separation or merger of subsidiaries of electricity distribution companies		
			Temporary reduction of branching amperage of subscribers of power distribution companies		
			Fixing the damage to the electricity network	(Providing damages and network privacy services(13031977000	4
			Investigate theft reports of electrical appliances		
			Privacy		
			Eliminate the risk of hazardous electrical installations		
			Installation of solar generators for electricity subscribers (for applicants less than 200 kW	(Providing solar generator services(13031979000	5
			Provide solar generator bill for electricity subscribers (for applicants less than 200 kW		
			Submitting a report on the delivered energy generator of solar subscribers (especially for applicants less than 200 kW		

1		13031980100	Temporary blackout at the request of the applicant	Providing services to eliminate blackouts and technical (problems of electricity)(13031980000	6
1		13031980102	Submit power outages		
1		13031980103	Fix power outages		
1		13031980104	Fixed power grid voltage problem		
1		13031980105	Fixed the problem of street lighting		
1		13031987100	Provide a list of authorized suppliers of goods related to the electricity industry	Handling and responding to the requests of the clients in (the field of electricity distribution)(13031986000	7
1		13031987107	Provide a list of approved contractors in the field of electricity		
1		13031987104	Provide instructions and plans for the construction of electrical equipment and panels	Providing instructions and plans for the construction of (electrical equipment and panels)(13031987000	8
1		13032882100	Creating a culture of electricity consumption management	(Optimization of power consumption)(13032882000	9
1		13032882102	Peak load control of power consumption		
1		13032882103	Determining the energy rating of office buildings
